Mad Dogs and Englishmen

This project was spearheaded by Michael Hernandez Jr. & Kevin Fulkerson with Jeffery Campbell serving as the Project Manager

This Tampa hotspot blends casual charm with sophisticated dining, offering traditional English pub favorites and elevated gastropub dishes alongside quality draft beers and fine wines. Our team ensured that the lighting, power, and electrical systems were expertly installed to create the perfect ambiance for guests to enjoy a warm and inviting atmosphere. Next time you're in the area, stop by and see our work in action while enjoying a pint!

Employee Spotlight

This month, we're excited to spotlight **Koby Khan**, a 2nd year Commercial Apprentice, who has been with Erwin Electric for a year.

Before joining Erwin Electric, Koby worked for a small contractor remodeling basements, building decks, and doing tile work. Originally from Philadelphia, PA, he's always loved hands-on work.

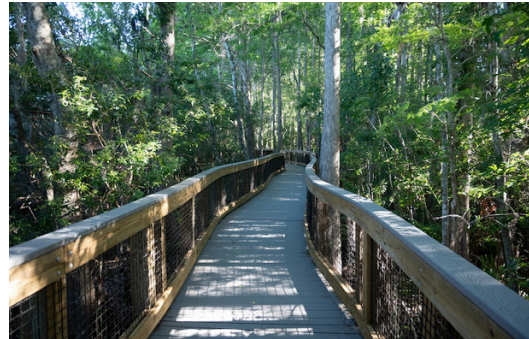

What drives him? Making an impact, learning new skills, and building strong connections. As an electrician, they enjoy problem-solving, helping people, and mastering their craft. There's nothing like the satisfaction of a clean install or fixing a tough issue. Every day brings new challenges, keeping the work exciting.

At Erwin Electric, Koby found a place to grow, contribute, and take pride in his work—one connection at a time!

Updates

Save the Date: Company Picnic – April 12th

Join us for this year's company picnic on Friday, April 12th from 11am - 2pm. Employees and their families are invited to enjoy a fun-filled afternoon with great food, exciting games, and quality time with colleagues in the beautiful outdoors. Don't miss this chance to relax, connect, and make lasting memories—we look forward to seeing you there! Please see Makenzie Lane for more details and to RSVP!

ABC FL Gulf Coast - STEP Certified

We're excited to announce that Erwin Electric was recently certified with ABC's STEP Safety program as Silver Level! ABC STEP is a safety management system and a benchmarking tool designed to help construction companies assess their safety programs and identify areas for improvement. While we are always striving for Gold, Silver is a great place to start and we now know the areas to work on to get us to that Gold level of safety! Thank you to all of our employees who help keep Erwin Electric a safe workplace!
